Trans census

United States Indian Service,

Cond

Nevada

Agency,

July 21, 1890

Hon Jas. J. Morgan,
Commissioner of Indian Affairs,
Washington,
D. C.

Sir:

In compliance with the instruction contained in your letter of date June 7, 1890, I have the honor to enclose herewith the census of the Indians on the Pyramid Lake Reserve and Walker River Reserve embraced in the Nevada Agency.

In preparing the census this year the names of the Indians were changed and revised in many cases in accordance with the suggestions

23124

Contained in your circular letter
M. dated March 19, 1890.

You will observe that on the
Census roll at this Tyrannis
Lake Reserve, opposite each
name appear figures in red ink,
opposite these numbers on last
years census roll will be found
the old name by which the Indian
was known. The census roll

for Walker River Reserve is
compiled in like manner with
the same object in view, except
that the old name is also
given opposite each new name.

I wish to add that the
Indians seemed to be well
pleased at the idea of changing
their names and many of them
fully understood the importance
of the same, and while this
reformation will at first create

a great deal of new work for this
office and cause no little inconvenience,
it will in the end be of material
benefit to these Indians.

Very respectfully

J. D. Sears

U. S. Ind. Agent
